GREAT NERVE SHOWN BY AN INJURED BOY

Has Arm Torn Off: but Rides HIGH SCHOOL BUILDING to Hospital in Automobile.

Special to The Tribune. OGDEN, May 11.-Calmly holding the stub of his right arm, which had a few minutes before been interally wrenched off at the clow socket in a fast-moving piece of machinery at the Ogden Steam laundry, eighteen-yearold Frank Harris walked unattended to an automobile, which was driven to the Ogden general hospital, and walked without assistance to the operating ta-ble, where Dr. Ezra C. Rich amputated bleeding member between the elbow and the shoulder. The nerve of the voungster was regarded as marvelous by those who were present at the time of the distressing accident.

The lad had been working at the

laundry only a short time when the accident occurred. He was employed at a machine known as the extractor, into which laundered articles are run and the water wrung from them. ome way his right hand was drawn nto the rapidly revolving machine and forearm twisted from the socket before the machinery could be stopped. When the other employees at the try saw that the boy was injured, a hurry call was sent for a physician. Dr. Ezra C. Rich responded in his automobile and the lad was taken to the hospital, where the ragged ends of the

dismembered arm were amputated.

The injured boy's father, Lee Har-ris, is dead. The boy has been living with his aunt on Adams avenue. His nucle, Al Harris, is the official poll tax collector for Ogden City. At the hos-pital late this afternoon the patient was reported to be resting easily.

WORKMEN ON A STRIKE

OGDEN, May 11.-Progress of the work on the new high school building was abruptly interfered with today by strike of about twenty laborersortar mixers, brick carriers and others.

The trouble is said to be due to the act that there was a lack of uniformity in the wage scale. The men who are being paid low wages, demanded that they receive the same pay as the others, and upon the refusal of the contractors to comply with their demands the strike followed.

As the contract for the completion of the building expires in a few months it is believed that the strike will be settled and the completion of the building hurried through.

PROVO May 11.—County Assessor
Beck has reported that the assessed valiation of Utah county for 1903 is \$10-191,230. This is a decrease of \$678,841 from last year. The reason for the decrease is, however, that under the law passed by the last legislature, the net proceeds of mines, improvements on mining property and the Utah county electric power companies will this year be assessed by the state board instead of by the county assessor, as was the case last year. The assessment on the properties will amount to more than \$1,000,000.
